RECONSTRUCTION AND CONDITIONAL SALE AGREEMENT dated as of April 1, 1978, among FIRST SECURITY BANK OF UTAH, N.A., not in its individual capacity but solely as Agent (hereinafter called the Vendor) under a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement), SEABOARD COAST LINE RAILROAD COMPANY, a Virginia corporation (in its capacity as builder hereinafter called the Builder) and FIRST SECURITY STATE BANK, not in its individual capacity but solely as Trustee (hereinafter called the Vendee) under a Trust Agreement dated as the date hereof (hereinafter called the Trust Agreement), with BWL LEASING CORPORATION (hereinafter called the Beneficiary).

The Vendee proposes to acquire all right, title and interest in certain railroad equipment (hereinafter called the Hulks) from SEABOARD COAST LINE RAILROAD COMPANY (in its capacity as a railroad hereinafter called the Lessee) pursuant to a Hulk Purchase Agreement (hereinafter called the Hulk Purchase Agreement) dated as of the date hereof, in substantially the form of Exhibit D hereto, and will subject the same to a security interest in favor of the Vendor for the purpose of causing the Hulks to be reconstructed.

The Vendor will acquire security title to the Hulks pursuant to a transfer agreement or agreements (hereinafter collectively called the Transfer Agreement) in substantially the form of Exhibit A hereto, for the purpose of causing the same to be reconstructed as described herein and thereupon selling its interest in the same to the Vendee and the Vendee has agreed to purchase the Hulks as so reconstructed (the reconstructed equipment described in Schedule A hereto being hereinafter called the Equipment).

The Hulks will be delivered to the Builder and the Builder has agreed with the Vendor to cause the Hulks to be reconstructed in accordance with specifications referred to in Schedule A hereto and as required hereby to enable delivery of the Equipment to be made to the Vendee in accordance herewith.

The Vendee and the Lessee are entering into a

Lease of Railroad Equipment, dated as of the date hereof (hereinafter called the Lease), substantially in the form of Exhibit B hereto, pursuant to which the Vendee is leasing the Equipment to the Lessee, subject to this Agreement, and the Vendee is assigning for security purposes its rights in, to and under the Lease to the Vendor pursuant to an Assignment of Lease and Agreement dated as of the date hereof (hereinafter called the Lease Assignment), substantially in the form of Exhibit C hereto. The rights acquired by the Vendor pursuant to this Reconstruction and Conditional Sale Agreement shall be and are acquired for the benefit of the Investors identified in the Participation Agreement for whom the Vendor is acting as Agent pursuant to the terms of such Participation Agreement.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Reconstruction and Sale. Pursuant to this Agreement, the Builder will accept delivery of the Hulks from the Vendee immediately upon delivery of the same to the Buyer under the Hulk Purchase Agreement and will cause the Hulks to be reconstructed into the Equipment as described in Schedule A hereto and will deliver the Equipment to the Vendee on behalf of the Vendor and the Vendee will accept delivery of and pay for the Equipment as hereinafter provided, each unit of which shall be standard gauge railroad equipment reconstructed in accordance with the specifications referred to in Schedule A hereto and in accordance with such modifications thereof as may be agreed upon in writing by the parties hereto (which specifications and modifications, if any, are by reference made a part of this Agreement as fully as though expressly set forth herein and are hereinafter called the Specifications). The Builder warrants to the Vendor and the Vendee that the design, quality and component parts of the Equipment will conform, on the date of delivery of each thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications, and to all standards recommended by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of the Equipment as of the date of this Agreement.

ARTICLE 2. Inspection and Delivery. The Builder will deliver the units of the Equipment, on behalf of the Vendor, to the Vendee at such point or points within the United States of America specified in Schedule A hereto

(or such other place or places designated from time to time by the Builder) on or prior to December 28, 1978, freight charges, if any, prepaid; provided, however, that delivery of any unit of the Equipment shall not be made until this Agreement, the Transfer Agreement, the Lease and the Lease Assignment have been filed pursuant to Section 20c of the Interstate Commerce Act. The Builder agrees not to commence any reconstruction of any Hulk if the Builder (A) does not reasonably anticipate that such Hulk will be fully reconstructed within 90 days following such commencement of reconstruction and in any case that such Hulk will be fully reconstructed prior to December 28, 1978, or (B) has received written notice from the Vendee, the Vendor or the Beneficiary (a) of the occurrence of any event of default as defined in Article 14 hereof or any event (including the commencement of any proceeding or the filing of any petition of the nature specified in subparagraphs (c) and (d) of Article 14 hereof) which, with lapse of time, failure to take affirmative action and/or demand, could constitute an event of default hereunder shall have occurred, or (b) that any of the conditions contained in Paragraphs 6 or 7 of the Participation Agreement have not been met or waived or (c) that the Vendee is no longer obligated under the terms of Hulk Purchase Agreement to accept delivery of and to pay for any additional Hulks thereunder for any of the reasons therein provided.

The Builder shall not be in default hereunder, nor shall the Builder have any liability in damages or for specific performance for the failure to make deliveries resulting from causes beyond the Builder's reasonable control, including but not limited to acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plants, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

During reconstruction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Lessee) and the Builder shall grant to such authorized inspectors reasonable access to its plant. The Builder agrees to inspect all materials used in the reconstruction of the Equipment in accordance with the standard quality control practices of the Builder. Upon completion of each unit or of a number of units of the Equipment, such unit or units shall be presented to an inspector of the Vendee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements

and standards applicable thereto, such inspector or an authorized representative of the Vendee (who shall be an employee of the Lessee) shall execute and deliver to the Builder a certificate of acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Vendee and are marked in accordance with Article 8 hereof; provided, however, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 12 hereof.

ARTICLE 3. Purchase Price and Payment. The cost of the Hulks (the "Hulk Purchase Price") and the estimated base reconstruction cost per unit of the Equipment are set forth in Schedule A hereto. The term "Reconstruction Cost" as used herein shall mean the base reconstruction cost per unit set forth in Schedule A hereto, as increased or decreased by agreement among the Builder, the Vendor and the Vendee, but the aggregate Reconstruction Cost shall in no event exceed the lesser of (i) the actual cost to the Builder of doing the reconstruction work plus a reasonable overhead and profit factor or (ii) \$1,687,875 in the aggregate. The term "Purchase Price" as used herein means the sum of the Hulk Purchase Price and the Reconstruction Cost.

For the purpose of settlement therefor, the Equipment shall be divided into not more than eight groups of units of the Equipment unless the Vendee, the Vendor and the Builder shall otherwise agree (each such group being hereinafter called a Group). The term "Closing Date" with respect to any Group shall mean such date not later than December 28, 1978 (herein sometimes called the Cut-Off Date), occurring not more than ten business days following presentation by the Builder to the Vendee of the invoice (addressed to the Vendor and approved as to price by the Vendee) and the Certificate or Certificates of Acceptance for such Group, as shall be fixed by the Builder by written notice delivered to the Vendee and the Vendor, with a copy thereof to the Beneficiary, at least five business days prior to the Closing Date designated therein; provided, however, that the first such Closing Date shall not be prior to June 15, 1978, and that the parties hereto will so far as practicable attempt to comply with the schedule of estimated Closing Dates set forth in Schedule B hereto. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays, holidays and any other day on which banking institutions in Salt Lake City, Utah, Richmond, Virginia, Chicago, Illinois, or New York, New York, are authorized to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay (and the Builder is hereby constituted a third party beneficiary of such obligation) in immediately available funds to the Vendor at such place as the Vendor may designate, the Purchase Price of each Group of the Equipment, as follows:

(a) in 15 semiannual installments, as hereinafter provided, an amount (herein called the Conditional Sale Indebtedness) equal to the lesser of (y) 73.25% of the aggregate of the Purchase Prices of the units of the Equipment in the Group for which settlement is then being made as set forth in the Invoice or Invoices therefor (said invoice prices being hereinafter called the Invoiced Purchase Prices) or (z) the Available Investors' Funds (as defined in the eighth paragraph of this Article 3); and

(b) on the Closing Date with respect to each Group an amount (herein called the Down Payment) equal to the aggregate Purchase Price of such Group, less the amount payable pursuant to subparagraph (a) of this paragraph; provided, however, that the Vendee shall not be required to make such payment until there shall have been delivered to the Vendor on or prior to such date the documents required to be delivered thereto pursuant to the eighth paragraph of this Article 3.

The installments of the Conditional Sale Indebtedness shall be payable on each January 15 and July 15 commencing July 15, 1979, to and including July 15, 1986 (or, if any such date is not a business day, on the next succeeding business day), each such date being hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness shall bear interest from the Closing Date upon which such Conditional Sale Indebtedness was incurred at the rate of 8.75% per annum, and such interest shall be payable, to the extent accrued, on January 15, 1979, and each Payment Date. The installments of principal payable on each Payment Date shall be calculated on such a basis that the amount and allocation of principal and interest on such Payment Date shall be as set forth in Schedule I hereto. Promptly following the earlier of the last Closing Date or the Cut-Off Date, the Vendee will furnish to the Vendor and the Lessee a payment schedule showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Vendee will pay interest at the rate of 9.75% per annum, to the extent legally enforceable, upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof, anything herein to the contrary notwithstanding.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. The Vendee shall not have the privilege of prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due, provided, however, that the Conditional Sale Indebtedness may be prepaid as provided for in Article 6 hereof.

On the Closing Date with respect to each Group, an amount equal to the Invoiced Purchase Prices of such Group shall be paid in immediately available funds by the Vendor to the Builder from the proceeds of (y) the amounts (herein called the Available Investors' Funds) available to the Vendor under and pursuant to the terms of the Participation Agreement to make payments on such Closing Date in amounts equal to the Conditional Sale Indebtedness and (z) the Down Payment payable by the Vendee pursuant to clause (b) of the third paragraph of this Article 3, provided that there shall have been delivered to the Vendor the following documents, in form and substance satisfactory to it and its special counsel:

(a) the Certificate or Certificates of Acceptance contemplated by Article 2 hereof and Section 1 of the Lease with respect to the Equipment in such Group;

(b) invoices of the Builder for the reconstruction of the Equipment in the Group and invoices of the Lessee for the Hulks, accompanied by, or having endorsed on such invoices or copies thereof, the approval of the Vendee of the price stated therein and a certification by the Builder that the Invoiced Purchase Prices have been calculated as provided in the first paragraph of this Article 3 and do not exceed the prices that would be charged by an independent car builder for comparable equipment; and

(c) a favorable opinion of counsel for the Builder, dated as of such Closing Date, stating that at the time of delivery of the units of the Equipment in such Group on behalf of the Vendor to the Vendee hereunder, title to such units was free of all claims, liens, security interests and other encumbrances of the Builder or of anyone claiming through the Builder.

The obligation of the Vendor to make payment for the Equipment is expressly conditioned on the Vendee having made the Down Payment to the Vendor required by subparagraph (b) of the third paragraph of this Article 3. If on any Closing Date the Down Payment exceeds 26.75% of the Purchase Price of any Group, the Vendee may, by written notice to the Vendor and the Builder, postpone such Closing Date for a period of not more than 30 days. Notwithstanding anything to the contrary herein expressed or implied, the parties hereto agree that the Vendor shall have no obligation with respect to the reconstruction of the Hulks and delivery of the Equipment hereunder to the Vendee.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 14 and 15 hereof), but not limiting the effect of Article 21 hereof, the Vendor agrees that the liability of the Vendee or any assignee of the Vendee or the Beneficiary for all payments to be made by it under this Agreement (including, without limitation, amounts to be paid as interest pursuant to the sixth paragraph of this Article 3), with the exception only of the payments to be made pursuant to subparagraph (b) of the third paragraph of Article 3 and the obligations set forth in the proviso in the third paragraph of Article 11 hereof, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment". As used herein, the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 14 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as hereinafter defined in Article 6 hereof) paid for or with respect to the Equipment pursuant to the Lease and any and all other payments received under Section 9 or any other provision of the Lease and (b) any and all payments or proceeds received by the Vendee under the Lease or received by the Vendee for or with respect to the Equipment as the result of the sale, lease or other

disposition thereof and after deducting all costs and expenses of such sale, lease or other disposition and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) as are indefeasibly received by the Vendee and as shall be required to discharge the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon, due and payable on the date such amounts were required to be paid pursuant to the Lease or as shall be required to discharge any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include amounts referred to in the foregoing clauses (a) and (b) which were received by the Vendee prior to the existence of such an event of default which exceeded the amounts required to discharge that portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the date on which amounts with respect thereto received by the Vendee were required to be paid to it pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were due and payable under the Lease. Notwithstanding anything to the contrary contained in Articles 14 and 15 hereof, the Vendor agrees that in the event it shall obtain a judgment against the Vendee for an amount in excess of the amounts payable by the Vendee pursuant to the limitations set forth in this paragraph, it will, accordingly, limit its execution of such judgment against the Vendee to amounts payable pursuant to the limitations set forth in this paragraph. It is further agreed by the parties hereto that nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor to proceed against the Equipment as provided for herein for the full unpaid Purchase Price of the Equipment and interest thereon and all other payments and obligations hereunder or to proceed against the Lessee under the Lease or the Consent.

ARTICLE 4. Title to the Equipment. The Vendor shall and hereby does retain a security interest in the Hulks delivered to the Builder hereunder for reconstruction and shall continue to retain such security interest during the entire period that the Hulks are being reconstructed and thereafter in the Equipment until the Vendee shall have made all its payments under this Agreement in respect of the Equipment and shall have kept and performed all its agreements herein contained in respect thereof, notwithstanding any provision of this Agreement limiting the liability of the

Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement and the Lease. Any and all additions, modifications and improvements to the Hulks and the Equipment, and any and all parts installed on and additions and replacements made to any unit of the Hulks prior to their delivery and acceptance hereunder, shall constitute accessions thereto and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement, except for any additions, modifications and improvements which, under the provisions of Section 8 of the Lease, are owned by the Lessee.

Except as otherwise specifically provided in Article 6 hereof, when and only when the Vendor shall have been paid the full Conditional Sale Indebtedness, together with interest and all other payments as herein provided, and all the Vendee's obligations herein contained shall have been performed, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute and deliver to the Vendee a bill or bills of sale for the Equipment releasing its security interest therein to the Vendee, free of all claims, rights, liens, security interests and other encumbrances created or retained hereby, (b) execute and deliver to the Vendee for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to such Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 6 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any such certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 5. Taxes. All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense

to the Vendor with respect to the amount of any local, state, Federal or foreign taxes (other than net income taxes, gross receipts taxes [except gross receipts taxes in the nature of or in lieu of sale, use or rental taxes], franchise taxes measured by net income based upon such receipts, excess profits taxes and similar taxes) or license fees, assessments, documentary stamp taxes, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, all of which impositions the Vendee assumes and agrees to pay on demand in addition to the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom or upon the Vendor solely by reason of its ownership thereof and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the security interest of the Vendor or result in a lien upon any part of the Equipment; provided, however, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith (after written notice to the Vendor) and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the title, property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; provided, however, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor acceptable to Vendee) or unless the Vendee shall have approved the payment thereof.

ARTICLE 6. Maintenance and Repair; Casualty Occurrences. The Vendee agrees that, at its own cost and expense, it will maintain and keep each unit of the Equipment in good operating order, repair and condition.

In the event that any unit of the Equipment shall be or become worn out, lost, stolen, destroyed or, in the

opinion of the Lessee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise by the United States government for a period which shall exceed the then remaining term of the Lease or by any other governmental entity resulting in loss of possession by the Lessee for a period of 90 consecutive days or until the end of the term of the Lease (each such occurrence being herein called a Casualty Occurrence), the Vendee shall, within 30 days after it shall have determined that such unit has suffered a Casualty Occurrence, cause the Vendor to be fully informed in regard thereto. Notwithstanding any such Casualty Occurrence, the Vendee shall continue making payment of all installments of principal and interest in respect of such unit until the next succeeding date for the payment of interest on the Conditional Sale Indebtedness (hereinafter called a Casualty Payment Date). On such date the Vendee shall, subject to the provisions of the last paragraph of Article 3 hereof, pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this paragraph shall be applied on the date that such Casualty Value is paid (after the payment of the interest and principal due on such date) to prepay without penalty or premium the unpaid balance of the Conditional Sale Indebtedness with respect to such unit or units (in the manner provided in the second paragraph of Paragraph 10 of the Participation Agreement), and the Vendee will promptly furnish to the Vendor and the Lessee a revised schedule of payments of principal and interest thereafter to be made in respect of the remaining units in such number of counterparts as the Vendor may request.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of, title to and property in such unit shall pass to and vest in the Vendee, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument, confirming such passage to the Vendee of all the Vendor's right, title and interest, and the release of the Vendor's security interest, in such unit, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such unit.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Conditional Sale Indebtedness with respect to such unit remaining unpaid on the date as of which such Casualty Value shall be determined (without giving effect to any prepayment or prepayments theretofore made under this Article with respect to any other Unit), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of Conditional Sale Indebtedness in respect of Equipment made pursuant to Article 3 hereof shall be deemed to be a payment on each unit of the Equipment in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of all the units of Equipment.

If the Vendor shall receive any insurance proceeds (not the property of the Beneficiary pursuant to the next paragraph) or condemnation payments in respect of such units suffering a Casualty Occurrence, the Vendor shall, subject to the Vendor having received payment of the Casualty Value hereunder, pay such insurance proceeds or condemnation payments to the Vendee. All insurance proceeds or condemnation payments received by the Vendor in respect of any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon proof satisfactory to the Vendor that any damage to such unit in respect of which such proceeds were paid has been fully repaired.

All proceeds of insurance policies paid for by the Beneficiary shall, notwithstanding anything to the contrary contained in this Agreement, the Participation Agreement or the Lease, be the property of the Beneficiary.

ARTICLE 7. Reports and Inspections. On or before March 31 in each year, commencing with the calendar year 1979, the Vendee shall cause to be furnished to the Vendor an accurate statement setting forth as of the preceding December 31 the amount, description and numbers of the Equipment (a) then covered hereby, (b) that have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Agreement in the case of the first such statement) and (c) then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs and setting forth such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, markings required by Article 8 hereof have

been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Lessee's records with respect thereto at such reasonable times as the Vendor may request during the continuance of this Agreement.

ARTICLE 8. Marking of Equipment. The Vendee will cause each unit of the Equipment to be kept numbered with its identifying number as set forth in Schedule A hereto, or, in the case of Equipment not there listed, such identifying number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the following legend: "Ownership Subject to a Security Agreement filed under the Interstate Commerce Act, Section 20c" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's security title to and property in the Equipment and its rights under this Agreement. The Vendee will not knowingly permit any such unit to be placed in operation or exercise any control over the same until such legend shall have been so marked on both sides thereof and will replace or will cause to be replaced promptly any such legend which may be removed, obliterated, defaced or destroyed. The Vendee will not knowingly permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of a new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Vendee may allow the Equipment to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of the rights of the Lessee or its affiliates to use the Equipment as permitted under the Lease.

ARTICLE 9. Compliance with Laws and Rules. During the term of this Agreement, the Vendee will comply, and will

cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the jurisdictions in which its or such lessees' operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, and in the event that such laws or rules require any alteration, replacement or modification, of or to any part on any unit of the Equipment, the Vendee will conform therewith at its own expense; provided, however, that the Vendee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 10. Possession and Use. The Vendee, so long as an event of default shall not have occurred and be continuing under this Agreement, shall be entitled, from and after delivery of the Equipment to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement and the Lease.

The parties hereto acknowledge that the Vendee simultaneously herewith is leasing the Equipment to the Lessee as provided in the Lease, and the rights of the Lessee and its permitted assigns under the Lease shall be subordinate and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement. The Lease shall not be amended or terminated (except in accordance with its terms) without the prior written consent of the Vendor.

Subject to the provisions of the preceding paragraphs of this Article 10, the Equipment may be used as provided in Section 11 of the Lease. Except as otherwise provided in the Lease, the Vendee may also lease the Equipment to any other railroad company with the prior written consent of the Vendor; provided, however, that (i) such lease shall provide that the rights of such lessee are made expressly subordinate to the rights and remedies of the Vendor under this Agreement, (ii) such lessee shall expressly agree not to assign or permit the assignment of any unit of the Equipment to service involving the regular operation and maintenance

thereof outside the United States of America and (iii) a copy of such lease shall be furnished to the Vendor.

ARTICLE 11. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns which, if unpaid, might become a lien, charge, security interest or other encumbrance upon or with respect to the Equipment, or any unit thereof, or the Vendee's interests in the Lease or the payments due and to become due thereunder, or any part thereof, equal to or superior to the Vendor's security interest therein, and will promptly discharge any such lien, charge, security interest or other encumbrance which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by any appropriate legal proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of any claims, liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

The foregoing provisions of this Article 11 shall be subject to the limitations set forth in the last paragraph of Article 3 hereof and the provisions of Article 21 hereof; provided, however, that the Vendee will pay or discharge any and all claims, liens, charges or security interests claimed by any party from, through or under the Vendee or the Beneficiary or their respective successors or assigns, not arising out of the transactions contemplated hereby (but including tax liens arising out of the failure of the Vendee or the Beneficiary to pay net income or franchise taxes), equal or superior to the Vendor's security interest therein, which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's interest in the Lease and the payments to be made thereunder, but the Vendee shall not be required to pay or discharge any such claim so long as the validity or priority thereof shall be

contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement or in and to the Lease and the payments to be made thereunder.

ARTICLE 12. Indemnities and Warranties. The Vendee agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including but not limited to counsel fees and expenses, penalties and interest, arising out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of security title to or a security interest in the Equipment, the ordering, acquisition, use, operation, condition, reconstruction, purchase, delivery, rejection, storage or return of any of the Equipment, any accident in connection with the operation, use, condition, reconstruction, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when title thereto remains in the Vendor or the transfer of title to the Equipment by the Vendor pursuant to any of the provisions of this Agreement, except, however, any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any tort, breach of warranty or failure to perform any covenant hereunder by the Builder. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the release of the security interest in, the Equipment, as provided in the last paragraph of Article 4 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of, and shall not be released from its obligations hereunder in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

THE VENDOR MAKES NO WARRANTIES WHETHER WRITTEN, ORAL, STATUTORY OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE HULKS OR THE EQUIPMENT OR IN CONNECTION WITH THIS AGREEMENT OR THE DELIVERY AND SALE OF THE EQUIPMENT HEREUNDER.

The Builder warrants that the Hulks will be reconstructed in accordance with the Specifications and standards set forth or referred to in Article 1 hereof and warrants that the Equipment will be free from defects in material or workmanship or design under normal use and service. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, WITH RESPECT TO RECONSTRUCTION, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. The Builder agrees to and does hereby, to the extent legally possible without impairing any claim, right or cause of action hereinafter referred to, transfer, assign, set over and deliver to the Vendor and, subject to the rights of the Vendor under this Agreement, to the Vendee, every claim, right and cause of action which the Builder has or hereafter shall have against any party who shall perform any of the reconstruction of the Hulks and the Builder agrees to execute and deliver to the Vendor and the Vendee all and every such further assurance as may be reasonably requested more fully to effectuate the assignment, transfer and delivery of every such claim, right and cause of action.

The Builder agrees to indemnify, protect and hold harmless the Vendor and the Vendee from and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendor and the Vendee (i) because of the use in or about the construction or operation of the Equipment or the reconstruction of the Hulks, or any unit thereof, of any design, article or material infringing or claimed to infringe on any patent or other right or (ii) arising out of any accident or tort in connection with the reconstruction, operation, use, condition, possession or storage by the Builder of any of the Hulks or any unit of the Equipment resulting in damage to property or injury or death to any person. The Vendor and the Vendee will give notice to the Builder of any claim known to it from which liability may be charged against the Builder under this paragraph.

The warranties and indemnities contained or referred to in this Article 12 and in any other Articles hereof and all other covenants and obligations of the Builder contained in this Agreement shall inure to the benefit of, and be enforceable by the Vendee, the Vendor, any lessor, lessee, assignee or transferee of this Agreement or of any units of the Equipment reconstructed by the Builder hereunder.

ARTICLE 13. Assignments. The Vendee will not

(a) except as provided in Article 10 hereof or in the Trust Agreement, transfer the right to possession of any unit of the Equipment or (b) sell, assign, transfer or otherwise dispose of its rights under this Agreement unless such sale, assignment, transfer or disposition (i) is made expressly subject in all respects to the rights and remedies of the Vendor hereunder (including without limitation, rights and remedies against the Vendee) and (ii) is made to a bank or trust company having capital and surplus aggregating at least \$50,000,000, and such bank or trust company expressly assumes, in writing, in form reasonably satisfactory to the Vendor, all the obligations of the Vendee under this Agreement.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time. No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of the Builder to reconstruct and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities contained or referred to in Article 12 hereof or relieve the Vendee of its obligations to the Builder or diminish the rights of the Vendee contained or referred to in this Agreement.

Upon any such assignment, either the assignor or the assignee shall give written notice to the Vendee, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the notification of any such assignment, all payments thereafter to be made by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct and shall constitute full compliance with the terms of this Agreement. The Vendee may rely upon instruments or documents which it believes in good faith to be true and authentic.

ARTICLE 14. Defaults. In the event that any one or more of the following events of default shall occur and be continuing (without regard to the limitations provided for in the last paragraph of Article 3 hereof or in Article 21 hereof) to wit:

(a) the Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder and such default shall continue for ten days after written notice thereof to the Vendee and the Beneficiary; or

(b) the Vendee shall, for more than 30 days after the Vendor shall have demanded in writing performance thereof, fail or refuse to comply with any other covenant, agreement, term or provision of this Agreement or of any agreement entered into concurrently herewith relating to the financing of the Equipment, on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Lease shall not have been (and shall not continue to be), duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings (whether or not subject to ratification) in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

(d) any proceeding shall be commenced by or against the Beneficiary or the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations hereunder or under the Lease, the Lease Assignment, the Consent or the Participation Agreement of the Beneficiary or the Lessee, as the case may be), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Beneficiary or the Lessee under this Agreement, the Lease, the

Lease Assignment, the Consent and/or the Participation Agreement, as the case may be, shall not have been (and shall not continue to be), duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Beneficiary or the Lessee, as the case may be, or for its or their property in connection with any such proceedings in such manner that such obligations have the same status as expenses of administration and obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(e) the Vendee shall make any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment, which in the Investor's reasonable opinion may materially and adversely affect the interests of the Vendor therein or herein;

then at any time after the occurrence of such an event of default the Vendor may upon written notice to the Vendee and the Beneficiary and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) cause the term of the Lease immediately upon such notice to terminate (and the Vendee acknowledges the right of the Vendor to terminate the Lease) but without affecting the indemnities or other agreements of the Lessee which by the provisions of the Lease survive the termination of its term and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid Conditional Sale Indebtedness together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 3 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, subject to Article 3 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the Conditional Sale Indebtedness, with interest as aforesaid, and to collect such judgment out of any property of the Vendee, subject to the limitations of Articles 3 and 21 hereof, wherever situated. The Vendee agrees to notify the Vendor promptly of any event of which it has knowledge which constitutes, or with the

giving of notice and/or lapse of time could constitute, an event of default under this Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 15. Remedies. At any time during the continuance of a Declaration of Default, the Vendor may, upon such further notice and action, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 15 expressly provided, and may remove the same from possession and use of the Vendee, the Lessee or any other person and for such purpose may enter upon the premises of the Vendee or the Lessee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee or the Lessee, subject to all mandatory requirements of due process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points for the delivery of the Equipment to the Vendor, the Vendee shall, at its own expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, causing prompt telegraphic and written notice to be given to the Association of American Railroads and all railroads to which any unit or units of the Equipment have been interchanged to return the unit or units so interchanged) cause the Equipment to be placed upon such storage tracks of

the Lessee as the Vendor reasonably may designate;

(b) permit the Vendor to store the Equipment on such tracks at the risk of the Vendee without charge for insurance, rent or storage until the Equipment has been sold, leased or otherwise disposed of by the Vendor; and

(c) cause the Equipment to be transported to any reasonable place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Vendor.

During any storage period, the Vendee will, at its own cost and expense, insure, maintain and keep each such unit in good order and repair and will permit the inspection of the Equipment by the Vendor, the Vendor's representatives and prospective purchasers, lessees and users. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee requiring specific performance hereof. The Vendee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 15 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire Conditional Sale Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Beneficiary by telegram or registered mail, addressed as provided in Article 20 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee may be retained by the Vendor as compensation for the use of the Equipment; provided, however, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the

Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment without premium, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; provided, further, that if the Vendee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 15.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee or any other party claiming from, through or under the Vendee at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment without premium, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine, so long as such sale shall be in a commercially reasonable manner. The Vendor, or the Vendee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. The Vendee shall be given written notice of such sale not less than ten days prior thereto by telegram or registered mail, addressed as provided in Article 20 hereof. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where less than 40 offerees have been solicited in writing to submit bids), it shall be subject to the right of the Vendee to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Vendee (except to the extent of surplus money received as hereinafter provided in this Article 15), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's obligations or the

Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall, subject to the provisions of the last paragraph of Article 3 hereof, pay the amount of such deficiency to the Vendor upon demand, together with interest from the date of such demand to the date of payment, at the rate per annum specified in Article 3 hereof as being applicable to amounts remaining unpaid after becoming due and payable, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall, subject to the limitations of the last paragraph of Article 3 hereof, be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 15 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 16. Applicable State Laws. Any provision of this Agreement prohibited by any applicable law of any jurisdiction shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof,

and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 17. Recording. The Vendee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act; and the Vendee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of special counsel for the Vendor, of its security title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 18. Article Headings. The table of contents and all article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

ARTICLE 19. Effect and Modification of Agreement. Except for the Participation Agreement, this Agreement, including any annexes or schedules or exhibits hereto, exclusively and completely states the rights of the parties hereto with respect to the Hulks and the Equipment and supersedes all other agreements oral or written, with respect to the Hulks and the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the parties hereto.

ARTICLE 20. Notice. Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it at its place of business at the following specified addresses; provided, however, that notice pursuant to the second paragraph of Article 3 establishing the Closing Date shall not be deemed served until received:

(a) to the Vendor, at 79 South Main Street, Salt Lake City, Utah 84111, attention of Trust Division, Corporate Trust Department,

(b) to the Vendee, at P. O. Box 30007, Salt Lake City, Utah 84125, attention of Corporate Trust Department, with a copy to the Beneficiary, and to Comdisco Financial Services, Inc., at the address set forth in the Trust Agreement,

(c) to the Beneficiary, at its address specified in the Trust Agreement,

(d) to the Builder, at 3600 West Broad Street, Richmond, Virginia 23230, Attention of L. G. Anderson, Esq., Vice President and Treasurer,

(e) to any assignee of the Vendor, or of the Vendee, at such address as may have been furnished in writing to the Vendee, or the Vendor, as the case may be, by such assignee,

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement.

ARTICLE 21. Immunities; Satisfaction of Undertakings. No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, beneficiary, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, beneficiaries, stockholders, directors or officers being forever released as a condition of and as consideration for the execution of this Agreement.

The obligations of the Vendee under the second, seventh and eighth paragraphs of Article 15 and under Articles 2, 5, 6 (other than the third and fourth sentences of the second paragraph thereof to the extent requiring delivery of certificates and payment schedules as therein provided), 7, 8, 9, 11 (other than the proviso to the last paragraph thereof), 12 and 17 hereof, or any other obligations hereunder not covered by the provisions of the last paragraph of Article 3 hereof, shall be deemed in all respects satisfied by the Lessee's undertakings contained in the Lease. The Vendee shall not have any responsibility for the Lessee's failure to perform such obligations, but if the same shall not be performed they shall constitute the basis for an event of default hereunder pursuant to Article 14 hereof. No waiver

or amendment of the Lessee's undertakings under the Lease shall be effective unless joined in by the Vendor.

SCHEDULE A--Specifications of the Equipment L-29

SCHEDULE B--Casualty Value Percentages Schedule L-30

LEASE OF RAILROAD EQUIPMENT, dated as of April 1, 1978, between SEABOARD COAST LINE RAILROAD COMPANY, a Virginia corporation (hereinafter called the Lessee or the Builder) and FIRST SECURITY STATE BANK, a Utah corporation, not in its individual capacity but solely as Trustee (hereinafter called the Lessor or the Vendee) under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement), with BWL Leasing Corporation (hereinafter called the Beneficiary).

The Builder, the Vendee and FIRST SECURITY BANK OF UTAH, N.A., not in its individual capacity but solely as Agent (said bank as so acting, being hereinafter, together with its successors and assigns, called the Vendor), under a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) with the Lessor, the Lessee, the Beneficiary and the parties named in Schedule A thereto, are entering into a Reconstruction and Conditional Sale Agreement dated as of the date hereof (hereinafter called the Security Document), wherein the Vendor has agreed to sell to the Vendee its interest in the railroad equipment described in Schedule A hereto after it has been reconstructed by the Builder.

The Lessee desires to lease all the units of said equipment, or such lesser number as are delivered, accepted and settled for under the Security Document (such units being hereinafter called the Units), at the rentals and for the terms and upon the conditions hereinafter provided.

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but subject to all the rights and remedies of the Vendor under the Security Document:

Section 1. Delivery and Acceptance of Units.

The Lessor will cause each Unit to be tendered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Document. Upon such tender, the Lessee will cause

an authorized representative of the Lessee to inspect the same, and if such Unit is found to be in good order, to accept delivery of such Unit and execute and deliver to the Lessor a certificate of acceptance and delivery (hereinafter called the Certificate of Acceptance), whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

Section 2. Rental. The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease two interim and 16 consecutive semiannual payments. The interim payments are payable on January 15, 1979, and the Cut-Off Date (as defined in the Participation Agreement) (or as promptly thereafter as practicable). The 16 semiannual payments are payable on January 15 and July 15 in each year, commencing July 15, 1979, to and including January 15, 1987. The interim rental payment payable on January 15, 1979, shall be in an amount equal to the product of the Purchase Price (as such term is defined in the Security Document) for each Unit subject to the Lease multiplied by .024306% for each calendar day elapsed from and including the date such Unit is settled for under the Security Document to but not including January 15, 1979. The interim payment payable on the Cut-Off Date (or as promptly thereafter as practicable) in respect of the Surplus Deposit shall be in an amount equal to the amount payable by the Lessor to the Agent pursuant to clause (a) of the penultimate paragraph of Paragraph 9 of the Participation Agreement plus an amount, if any, equal to the investment deficiency payable pursuant to the first paragraph of said Paragraph 9. The interim rental payment payable on January 15, 1979, shall be increased by such amount, if any, equal to the amount required by the Lessor to make the payments provided for in clause (b) of the penultimate paragraph of Paragraph 9 of the Participation Agreement. The 16 semiannual rental payments with respect to each Unit shall each be in an amount equal to 6.8725% of the Purchase Price of each such Unit then subject to this Lease. The foregoing rental rates have been calculated on the assumption that (i) 73.25% of the Purchase Price of the Units will be provided by the Vendor out of Available Investors' Funds (as such term is defined in Article Three of the Security Document); (ii) 26.75% of the Purchase Price of the Units shall be paid by the Lessor; (iii) the interest payable on the Conditional Sale Indebtedness shall be 8.75% per annum; (iv) the acceptance dates for the Units will occur during the

anticipated acceptance period in accordance with Schedule B of the Security Document, and (v) the aggregate Reconstruction Cost (as defined in the Security Document) of all Units shall constitute 73.2346% of the aggregate Purchase Price of all Units. If for any reason the Available Investors' Funds are less than contemplated and the Lessor pays more than 26.75% of the Purchase Price of any Unit pursuant to the third paragraph of Article 3 of the Security Document on a Closing Date (as such term is defined in the Security Document) or if the funds deposited by the Investors (as such term is defined in the Participation Agreement) bear an interest rate other than 8.75% per annum or if the acceptance dates for the Units do not occur during the anticipated acceptance period in accordance with Schedule B of the Security Document or if the aggregate Reconstruction Cost of all Units does not constitute 73.2346% of the aggregate Purchase Price of all Units, the Lessor and the Lessee agree that the rentals payable hereunder and the Casualty Value percentages set forth in Schedule B hereto will be adjusted, if necessary in the Lessor's opinion, in order that the Beneficiary's after-tax return on and rate of recovery of investment and the annual net cash flows (computed on the same assumptions, including, without limitation, tax rates, as were utilized by the Beneficiary in originally evaluating this transaction) will not be increased or decreased by reason thereof; provided, however, that the rentals and Casualty Value percentages, as so adjusted, shall be sufficient to satisfy the obligations of the Lessor under the Security Document, notwithstanding any limitation of liability contained therein.

If any of the rental payment dates referred to above is not a business day the rental payment otherwise payable on such date shall be payable on the next succeeding business day. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in Salt Lake City, Utah, Richmond, Virginia, Chicago, Illinois, or New York, New York, are authorized or obligated to remain closed.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Document, or the Builder or the Vendor or

otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or failure of title of the Lessor to any of the Units or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against Lessee's use of all or any of the Units, the taking or requisitioning of any of the Units by condemnation or otherwise, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency, bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

Section 3. Term of Lease. The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of Sections 6, 9 and 12 hereof, shall terminate on the date on which the final payment of rent in respect thereof is due hereunder; provided, however, all the obligations of the Lessee, except for the payment of rent and the furnishing of annual reports, shall continue until surrender of the Units in accordance with Section 13.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the Security Document. If an event of default should occur under the Security Document, the

Vendor may terminate this Lease (or rescind its termination), all as provided therein.

Section 4. Identification Marks. The Lessee, so long as this Lease shall remain in effect, will cause each Unit to be kept numbered with the road number set forth in Schedule A hereto and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, the legend required by Article 8 of the Security Document or other appropriate markings designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect Lessor's and Vendor's title to and property in such Unit and the rights of the Lessor under this Lease and of the Vendor under the Security Document. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such legend shall have been so marked on both sides thereof and will replace promptly any such legend which may be removed, obliterated, defaced or destroyed. The Lessee will not change the road number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Document shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to that effect and to the further effect that such filing, recordation and deposit will protect the Vendor's and the Lessor's interests in such Units and that no filing, recording, depositing or giving of notice with or to any other Federal, state or local government or agency thereof is necessary to protect the interests of the Vendor and the Lessor in such Units.

Except as above provided, the Lessee, so long as this Lease shall remain in effect, will not allow the name of any person, association or corporation to be placed on the Units as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

Section 5. Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor

for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, Federal or foreign taxes (other than any United States Federal income tax and, to the extent that the Lessor receives credit therefor against its United States Federal income tax liability, any foreign income tax payable by the Lessor in consequence of the receipt of payments provided herein and other than the aggregate of all state and city income taxes and franchise taxes measured by net income except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided), assessments, documentary stamp taxes, or license fees and any charges, fines or penalties in connection therewith (hereinafter called impositions) now or hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Document, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; provided, however, that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the advance opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or of the Vendee under the Security Document. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of an invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Vendor pursuant to Article 5 of the Security Document not covered by the foregoing paragraph of this Section 5, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 5.

In the event any reports with regard to impositions are required to be made on the basis of individual Units or

otherwise, the Lessee will, where permitted to do so under applicable rules or regulations, make and timely file such reports in such manner as to show the interest of the Lessor and the Vendor in the Units as shall be satisfactory to the Lessor and the Vendor or, where not so permitted, will notify the Lessor and the Vendor of such requirement and will prepare and deliver such reports to the Lessor and the Vendor within a reasonable time prior to the time such reports are to be filed in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any impositions, pursuant to this Section 5, based upon any time period during the term of this Lease or any renewal hereof (other than any period following the 90-day free storage period provided in § 13 hereof), such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

Section 6. Maintenance; Payment for Casualty Occurrences; Insurance. The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good operating order, repair and condition.

In the event that any Unit shall be or become worn out, lost, stolen, destroyed or, in the opinion of the Lessee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise by the United States Government for a period which shall exceed the then remaining term of this Lease or by any other governmental entity resulting in loss of possession by the Lessee for a period of 90 consecutive days or until the end of the term of this Lease (each such occurrence being hereinafter called a Casualty Occurrence) prior to the return of such Unit in the manner set forth in Section 13 hereof, the Lessee shall, within 30 days after it shall have determined that such Unit has suffered a Casualty Occurrence, fully notify the Lessor and the Vendor in writing with respect thereto. Notwithstanding any such Casualty Occurrence, the Lessee shall continue making all payments provided for in this Lease in respect of such Unit until the rental payment date listed in Table 1 of Schedule B hereto next succeeding such notice. On such rental payment date the Lessee shall pay to the Lessor the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with Schedule B hereto. Upon the making of all such payments by the Lessee in respect of any Unit, the rental for such

Unit shall thereafter cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent, and the Lessee hereby agrees at its own cost and expense, to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable under the circumstances on an "as is, where is, and with all faults" basis in accordance with the Lessee's normal procedures. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the net proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

The Casualty Value of each Unit as of the payment date on which payment is to be made as aforesaid shall be an amount equal to the sum of (a) that percentage of the Purchase Price of such Unit as is set forth in Table 1 of Schedule B hereto opposite such date with respect to such Unit plus (b) that percentage of the Reconstruction Cost thereof as set forth in Table 2 of said Schedule B with respect to such Unit.

Whenever any Unit shall suffer a Casualty Occurrence at the end of the term of this Lease or after termination of this Lease and while the risk of loss is with the Lessee as provided in Section 13 hereof, the Lessee shall promptly and fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit, which shall be an amount equal to 20% (30% in the case of the first renewal period) of the Purchase Price of such Unit. Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit), the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent, and the Lessee hereby agrees at its own cost and expense, to dispose of any Unit suffering such Casualty Occurrence or any component thereof, at the best price obtainable under the circumstances on an "as is, where is, and with all faults" basis in accordance with the Lessee's normal procedures. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the net proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

Except as hereinabove in this Section 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the responsibility for and risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times prior to the return of the Equipment to the Lessor, at its own expense, cause to be carried and maintained, property damage and public liability insurance (including contractual liability for the benefit of the Lessor) in respect of the Units and until return of the Units to the Lessor following the 90-day storage period provided for in Section 13 hereof in amounts and against risks customarily insured against by the Lessee in respect of similar Equipment owned by it.

Section 7. Annual Reports. On or before March 31 in each year, commencing with the calendar year 1979, the Lessee will cause to be furnished to the Lessor, the Beneficiary and the Vendor (at the addresses shown in Section 16 hereof), an accurate statement, as of the preceding December 31, showing the amount, description and numbers of the Units (a) then leased hereunder and/or covered by the Security Document, (b) that have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease in the case of the first such statement) and (c) then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs and setting forth such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, and stating that, in the case of all Units repainted or repaired during the period covered by such statement, the markings required by Section 4 hereof and by Article 8 of the Security Document shall have been preserved or replaced. The Lessor and the Beneficiary, respectively, shall have the right at its sole cost, risk and expense, by its authorized representatives, to inspect the Units and the Lessee's records with respect thereto (including those relating to any use of the Units outside the United States) at such reasonable times as the Lessor or the Beneficiary, respectively, may request during the continuance of this Lease; and, if requested by the Lessor for tax audit purposes, the Lessee shall make available information reasonably satisfactory to the Lessor regarding any use of the Units outside the United States.

Section 8. Disclaimer of Warranties; Compliance with Laws and Rules; Indemnification. THE LESSOR MAKES NO

WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE, OR OTHERWISE, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation, or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Lessor that all Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each Unit) with all applicable laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units, and in the event that, prior to the expiration of this Lease or any renewal thereof, such laws or rules require any alteration, replacement, addition or modification of or to any part of any Unit, the Lessee will conform therewith at its own expense; provided, however, that the Lessee may at its own expense, in good faith, contest the validity or application of any such

law or rule in any reasonable manner which does not, in the advance opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor, respectively, under this Lease or under the Security Document. The Lessee, at its own cost and expense, may furnish additions, modifications and improvements to the Units during the term of this Lease provided that such additions, modifications and improvements are readily removable without causing material damage to the Units. The additions, modifications and improvements made by the Lessee under the first sentence of this paragraph shall be owned by the Lessor, and the additions, modifications and improvements made by the Lessee under the second sentence of this paragraph shall be owned by the Lessee. In the event the Lessee shall make any alteration, replacement, addition or modification to any Unit pursuant to the first sentence of this paragraph (the "Alterations"), the Lessor agrees that it will include the value thereof in its gross income for Federal income tax purposes. The Lessee agrees that, within 30 days after the close of any calendar year (or in the event the Lessor gives the Lessee written notice that the Beneficiary's taxable year closes on a date specified therein other than December 31, within 30 days after said date) in which the Lessee has made Alterations, the Lessee will give written notice thereof to the Lessor describing, in reasonable detail, the Alterations and specifying the value thereof with respect to each Unit.

The Lessee agrees to indemnify, protect and hold harmless the Lessor and the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as a result of (i) the entering into or the performance of the Security Document, the Participation Agreement, the Hulk Purchase Agreement, or this Lease, or any of the instruments or agreements referred to therein or herein or contemplated thereby or hereby, (ii) the ownership of any Hulk or any Unit, (iii) the ordering, acquisition, use, operation, maintenance, condition, reconstruction, purchase, delivery, rejection, storage or return of any Hulk or any Unit, (iv) any accident in connection with the operation, use, condition, reconstruction, possession, storage or return of any Hulk or any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in Section 13 of this Lease, including without

limitation any claim based upon the doctrines of product liability or strict liability in tort, or (v) the transfer of title to the Equipment by the Vendor pursuant to any provision of the Security Document. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the delivery of the Equipment or the full payment and performance of all obligations under this Lease and the Hulk Purchase Agreement or the expiration or termination of the term of this Lease and/or the Hulk Purchase Agreement, provided, however, that the foregoing indemnification shall not apply to any failure of payment of any of the principal of or interest on the Conditional Sale Indebtedness. Nothing in this Section 8 shall constitute a guarantee by the Lessor of the Conditional Sale Indebtedness under the Security Document or a guarantee of the residual value of any Unit.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any Federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

Section 9. Default. If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an Event of Default) shall occur:

A. default shall be made in the payment of any amount provided for in Sections 2, 6 or 12 hereof and such default shall continue for five days after written notice thereof (but without waiver of any interest or late charges);

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any interest therein, or of the right to possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Participation Agreement and such default shall continue for 25 days after written notice from

the Lessor or the Vendor to the Lessee specifying the default and demanding that the same be remedied;

D. a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Security Document and this Lease shall not have been (and shall not continue to be) duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings (whether or not subject to ratification) in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier;

E. any proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee under this Lease, the Participation Agreement or the Consent under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder, under the Participation Agreement or under the Consent), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease, under the Participation Agreement or under the Consent, as the case may be, shall not have been (and shall not continue to be) duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or

receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier;

F. Any of the Lessee's representations or warranties made herein or any statement or certificate at any time given in writing pursuant hereto or in connection herewith shall be breached or found to be false or misleading in any material respect;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of the bargain and not as a penalty, whichever of the following amounts the Lessor, in its sole discretion, shall specify:

(x) a sum, with respect to each Unit, equal to the excess of the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder

from the date of such termination to the end of the term of this Lease as to such Unit over the then present value of the rental which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on the basis of a 6% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated; or (y) an amount equal to the excess, if any, of the Casualty Value as of the rental payment date on or next preceding the date of termination over the amount the Lessor reasonably estimates to be the sales value of such Unit at such time; provided, however, that in the event the Lessor shall have sold any Unit, the Lessor, in lieu of collecting any amounts payable to the Lessor by the Lessee pursuant to the preceding clauses (x) and (y) of this part (b) with respect to such Unit, may, if it shall so elect, demand that the Lessee pay the Lessor and the Lessee shall pay to the Lessor on the date of such sale, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit, as of the rental payment date on or next preceding the date of termination over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Lessor's remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit.

Should the Lessee fail to make any payment or to do any act as provided by this Lease, then the Lessor shall have the right (but not the obligation), without notice to the Lessee of its intention to do so and without releasing the Lessee from any obligation hereunder to make or to do the same, to make advances to preserve the Equipment or the Lessor's title thereto, and to pay, purchase, contest or compromise any insurance premium, encumbrance, charge, tax, lien or other sum which in the judgment of the Lessor appears to affect the Equipment, and in exercising any such rights, the Lessor may insure any liability and expend whatever amounts in its absolute discretion it may deem necessary

therefor. All sums so incurred or expended by the Lessor shall be due and payable by the Lessee within ten (10) days of notice thereof.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

Section 10. Return of Units upon Default. If this Lease shall terminate pursuant to Section 9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Railroads and all railroads to which any Unit or Units so interchanged) place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee without charge for insurance, rent or storage until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by it or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will, at its own cost and expense, insure, maintain and keep the Equipment in good order and repair and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination, the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which the per diem interchange rate for such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this Section 10, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney-in-fact of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

Section 11. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. The rights of the Lessor hereunder (including, but not limited to, the rights under Sections 5, 6, 8 and 9 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Vendor as assignee under the Assignment of Lease and Agreement dated as of the date hereof between the Vendor and the Lessor (hereinafter called the Assignment) in the manner and to the extent therein provided.

So long as the Lessee shall not be in default under this Lease and no event of default exists under the Security Document, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease but, without the prior written consent of the Lessor and the Vendor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them, and any such assignment or transfer without said consent shall be void. The Lessee, at its own expense, will promptly pay or discharge or cause to be paid and duly discharged any and all sums claimed by any party which if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance created by the Lessor or the Vendor after the date hereof or resulting from claims against the Lessor or the Vendor not related to the ownership of the Units), upon or with respect to any Unit or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, charge, security interest or other encumbrance which arises. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the next succeeding paragraph hereof.

Subject to the terms of this Lease, the Lessee shall be entitled to the possession of the Units and to the use thereof by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon the lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use

of the Units upon connecting and other carriers in the usual interchange of traffic and equipment, but only upon and subject to all the terms and conditions of this Lease, including the last paragraph of this Section 11, and the Security Document. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this Section 11 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the railroad properties of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition, be in default under any provision of this Lease.

The Lessee agrees that during the term of this Lease, it will not assign any Unit to service involving the regular operation and maintenance thereof outside the United States of America.

Section 12. Renewal Option; Purchase Option. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may elect, by written notice delivered to the Lessor not less than 180 days prior to the end of the original term of this Lease or the first extended term hereof, to extend the term of this Lease in respect of all, but not fewer than all, the Units covered by this Lease for an additional two-year period commencing on the scheduled expiration of the original term or the extended term of this Lease, as the case may be, provided that the Lessee may not so elect to extend the term of this Lease for more than two such additional two-year periods, at a rental payable in arrears in semiannual payments, in an amount equal to the "Fair Market Rental" of such Units as of the commencement of such extended term, such semiannual payments to be made on January 15 and July 15 in each year of the applicable extended term. During the first such two-year renewal period the Casualty Value shall be 30% of the Purchase Price of any Unit which suffers a Casualty Occurrence, and during the second such two-year renewal period the Casualty Value shall be 20% of the Purchase Price of any such Unit.

Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing lessee (other than (i) a lessee currently in possession or (ii) a used equipment dealer) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value.

Provided that the Lessee is not in default, the Lessee shall have the right to purchase all but not less than all of the Units then leased hereunder at the expiration of the original term or of any renewal term pursuant to this Section 12 at a price equal to the Fair Market Value of such Units (as hereinafter defined). The Lessee shall give the Lessor written notice 180 days prior to the end of the term or any extended term of this Lease of its election to exercise the purchase option provided for in this Section. Payment of the option price shall be made at the office of the Lessor specified in Section 16 hereof in immediately available funds against delivery of a bill of sale transferring and assigning to the Lessee all right, title and interest of the Lessor in and to the Units and containing warranty against liens or claims of persons claiming by, through or under the Lessor except liens and claims which the Lessee assumed or is obligated to discharge under the terms of the Lease. The Lessor shall not be required to make any representation or warranty as to the condition of the Units or any other matters.

Fair Market Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing purchaser (other than (i) a lessee currently in possession or (ii) a used equipment dealer) and an informed and willing seller under no compulsion to sell and, in such determination, costs of removal from the location of current use shall not be a deduction from such value.

Notwithstanding any election of the Lessee to purchase as provided in this Section 12, the provisions of Section 6 hereof shall continue in full force and effect until the date of purchase and the passage of ownership of the Units purchased by the Lessee upon such date unless the purchase price has been agreed upon by the parties pursuant to this Section 12, in which event the amount payable under Section 6 hereof shall be the greater of the amount otherwise payable under said Section 6 or such purchase price.

If 120 days prior to the expiration of any term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental or the Fair Market Value, as the case may be, of the Units, such value shall be determined in accordance with the foregoing definitions, respectively, by the following procedure: If the Lessor and the Lessee shall not have by mutual agreement appointed a qualified independent appraiser by the 120th day prior to the expiration of any such term of this Lease, the Lessor and the Lessee shall each appoint an independent appraiser within the next 30 days and the two appraisers so appointed shall within the next 20 days appoint a third independent appraiser. If no such third appraiser is appointed within said 20 days, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine such value of the Units within 50 days after his or their appointment. If the parties shall have appointed a single appraiser or if either party shall have failed to appoint an appraiser, the determination of such value of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as such value. Upon receipt of notice of such determination, the Lessor and the Lessee shall each have the option either to consummate such renewal or purchase or to abandon such renewal or purchase, but, in the former case, only at the Fair Market Rental or Fair Market Value set forth in such determination. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental and/or Fair Market Value, as the case may be, and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne by the Lessee.

Section 13. Return of Units upon Expiration of Term. As soon as practicable on or after the expiration of the original or any extended term of this Lease with respect

to any Unit, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor at not more than four locations upon such storage tracks of the Lessee within the continental United States as the Lessee may designate and permit the Lessor to store such Unit on such tracks for a period (commencing with the date of the assembly of 90% of the Units as to those Units, and as to any subsequently delivered unit, commencing with the date of the delivery into storage of such Unit) not exceeding 90 days, and transport the same, on a one-time basis at any time within such 90-day period, to any connecting carrier for shipment, all as directed by the Lessor, the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this Section 13 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, ordinary wear and tear excepted, (ii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable, and/or the applicable rules of any governmental agency or other organization with jurisdiction, and (iii) have removed therefrom by the Lessee without cost or expense to the Lessor all additions, modifications and improvements which the Lessee owns pursuant to Section 8 hereof. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and, notwithstanding the provisions of the second paragraph of this Section 13, upon application to any court having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units.

After the end of any term of this Lease, all amounts earned in respect of the Units (but, to the extent any Unit is used by the Lessee during this period, such amount shall not exceed the highest applicable per diem interchange rate and/or other similar applicable charges for use of the Units

(hereinafter defined as the "Applicable Charges")) shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after the end of the term of this Lease, the Lessee shall pay to the Lessor for each day thereafter an amount equal to the greater of (i) the Applicable Charges for such Unit for each such day, or (ii) 1/180 of the semiannual rental payment applicable to such Unit at the time of the expiration of the original or any extended term of the Lease for each such day. In the event the Lessor has not given the required notice after 90 days of storage to move any Unit off the Lessee's storage tracks, the Lessor will pay to the Lessee as storage the fair market value of the storage for such Unit beginning the first day after the free ninety day storage period.

Section 14. Recording; Expenses. The Lessee, at its own expense, will cause this Lease, the Transfer Agreement, the Security Document and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, recording and depositing and refiling, rerecording and redepositing required of the Lessor under the Security Document and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease or the assignment hereof to the Vendor, or the Security Document; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, recording or depositing, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease, the Assignment, the Transfer Agreement and the Security Document shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any unit.

Section 15. Interest on Overdue Rentals. Anything to the contrary herein notwithstanding, any nonpayment of rentals and other obligations when due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to 9.75% per annum of the overdue

rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

Section 16. Notices. Any instruction or notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States mails, first-class postage prepaid, addressed as follows:

if to the Lessor, at

P. O. Box 30007

if to the Beneficiary, at its address specified in the Trust Agreement,

or addressed to any such party at such other address as such party shall hereafter furnish to the other party in writing. Copies of each such notice shall be given to the Vendor as hereinabove provided and to Comdisco Financial Services, 530 Bush Street, San Francisco, California 94108, attention of Contract Administration.

Section 17. Effect and Modification of Lease.  
Except for the Participation Agreement, this Lease exclusively

and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

Section 18. Definitions. Whenever the term "Lessor" is used in this Lease it shall (except with respect to Section 5 and to the third paragraph of Section 8) include the Beneficiary and any assignee and, where the context so requires (including but not limited to certain of the provisions of Section 9) shall refer only to the Beneficiary or such assignee. If and so long as this Lease is assigned to the Vendor (or any successor thereto) for collateral purposes, wherever the term "Lessor" is used in this Lease it shall also apply and refer to the Vendor and any successors thereto unless the context shall otherwise require and except that the Vendor shall not be subject to any liabilities or obligations under this Lease; and the fact that the Vendor is specifically named in certain provisions shall not be construed to mean that the Vendor (and any successors thereto) is not entitled to the benefits of other provisions where only the Lessor is named or where only the Vendor, as the case may be, is named.

Section 19. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor shall be deemed to be the original counterpart. Although this Lease is dated as of the date first set forth above for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

Section 20. Law Governing; Severability. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Virginia; provided, however, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition

or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 21. Immunities; No Recourse. It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all the warranties, representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal warranties, representations, covenants, undertakings and agreements by the Lessor, or for the purpose or with the intention of binding the Lessor personally, but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Lease is executed and delivered by the Lessor, solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and except in the case of wilful misconduct or gross negligence, no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Lessor or the Beneficiary or on account of any warranty, representation, covenant, undertaking or agreement of the Lessor, either express or implied, all such personal liability, if any, being expressly waived and released by the Lessee.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officers, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.

LESSEE'S CONSENT AND AGREEMENT	

ASSIGNMENT OF LEASE AND AGREEMENT dated as of April 1, 1978, by and between FIRST SECURITY STATE BANK, a Utah corporation not in its individual capacity but solely as Trustee under a Trust Agreement dated as of the date hereof (hereinafter called the Lessor or the Vendee) with BWL Leasing Corporation (hereinafter called the Beneficiary), and FIRST SECURITY BANK OF UTAH, N.A., not in its individual capacity but solely as Agent (hereinafter called the Vendor), under a Participation Agreement dated as of the date hereof.

The Vendee and the Vendor have entered into a Reconstruction and Conditional Sale Agreement dated as of the date hereof (hereinafter called the Security Document), with Seaboard Coast Line Railroad Company, in its capacity as builder, providing for the sale to the Vendee of the interest of the Vendor in such units of railroad equipment (hereinafter called the Units) described in Schedule A thereto as are delivered to and accepted by the Vendee thereunder.

The Lessor and Seaboard Coast Line Railroad Company (hereinafter called the Lessee) have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units.

In order to provide security for the obligations of the Lessor under the Security Document and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Document), the Lessor has agreed to assign for security purposes its rights in, to and under the Lease to the Vendor.

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment and performance of the obligations of the Lessor as Vendee

under the Security Document, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to Section 2 of the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the Security Document, and to provide for the payments required to be made by the Lessor to the Vendor pursuant to Paragraph 9 of the Participation Agreement under which the Vendor is acting as Agent, and so long as no event of default (or event which, with notice or lapse of time, or both, could constitute an event of default) under the Security Document shall have occurred and be continuing, any balance shall be paid to the Lessor, or to such other party as the Lessor may direct in writing, in Federal funds not later than the first business day following receipt of such balance. If the Vendor shall not receive any payment under the Lease when due, the Vendor shall notify the Lessor at the address set forth in the Lease and the Beneficiary at the addresses set forth in the Participation Agreement; provided, however, that the failure of the Vendor to so notify the Lessor shall not affect the obligations of the Lessor hereunder or under the Security Document.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass,

or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. To protect the security afforded by this Assignment the Lessor agrees that, without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void; provided, however, that the Lessor may amend or supplement the Lease to provide for an increase or decrease of amounts due as rentals under Section 2 thereof and/or Casualty Values under Section 6 thereof provided that no such decrease shall reduce said amounts below that which are necessary to satisfy the obligations of the Lessor under the Security Document, notwithstanding any limitation of liability of the Lessor contained therein.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, and receive, any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Vendor may deem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Lessor's obligations under the Security Document and the Participation Agreement, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. If an event of default under the Security Document shall occur and be continuing, the Vendor may declare all sums secured hereby immediately due and payable and may apply all such sums against the amounts due and payable under the Security Document.

7. The Lessor will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, re-register, re-record or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure, the interests of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder; provided, however, the Vendee and the Lessee shall not be bound to honor such assignment until they have received written notice thereof. Payment to the assignee of any Payments shall constitute full compliance with the terms of this Agreement and the Lease. Vendee and Lessee may rely on instruments and documents of assignment which they believe in good faith to be true and authentic.

9. The Lessor will pay and discharge any and all claims, liens, charges or security interests (other than created by the Security Document) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Lessor or the Beneficiary, or their successors and assigns (other than the Vendor), not arising out of the transactions contemplated by the Security Document or the Lease (but including tax liens arising out of the receipt of the income and proceeds from the Units) which, if unpaid, might become a claim, lien, charge or security interest on or with respect to the Lease or such rentals or other payments equal or superior to the Vendor's interest therein, unless the Lessor or the Beneficiary shall be contesting the same in good faith by appropriate proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect such interests of the Vendor.

10. This Assignment shall be governed by the laws of the State of Utah, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

11. The Lessor shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the Security Document, or at such other address as the Vendor shall designate.

12. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no Event of Default under the Lease or event of default under the Security Document has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment, except the right to receive and apply the Payments as provided in Paragraph 1 hereof, and that, subject to the terms of the Lease and the Security Document, the Lessor may, so long as no event of default under the Security Document or Event of Default under the Lease has occurred and is continuing, exercise or enforce, or seek to exercise or enforce or avail itself of, such rights, powers, privileges, authorizations or benefits; provided, however, that the Lessor shall not, and shall not have any authority to, take any action which would terminate the Lease without the prior written consent of the Vendor.

13. Notwithstanding any other provision of this Assignment (including, but not limited to, any provision of the first paragraph of Paragraph 1 and Paragraph 3 hereof), (a) the terms of this Assignment shall not impose any obligations on the Lessor in addition to the obligations of the Lessor under the Lease or under the Security Document or in any way limit the effect of the last paragraph of Article 3 of the Security Document, Article 21 of the Security Document or Section 21 of the Lease, (b) so long as there is no event of default under the Security Document, and to the extent that the Vendor does not seek to receive and collect any Payments under the Lease in excess of the amounts required to discharge the obligations of the Lessor under the Security Document, the terms of this Assignment shall not limit or in any way affect the Lessor's right to receive and collect any Payments under the Lease in excess of the obligations of the Lessor under the Security Document, or

empower the Vendor in any way to waive or release the Lessee's obligation to pay such excess amounts, and the Lessor shall continue to be empowered to ask, demand, sue for, collect and receive any and all of such excess amounts, but shall not take any action under subparagraph (b) of Section 9 of the Lease without the written consent of the Vendor and (c) each and all of the warranties, representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, undertakings and agreements by the Lessor, or for the purpose or with the intention of binding the Lessor personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Assignment is executed and delivered by the Lessor solely in the exercise of the powers expressly conferred upon the Lessor as trustee under the Trust Agreement, and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Lessor, except for wilful misconduct or gross negligence, or against the Beneficiary under the Trust Agreement (except under Sections 1.03 and 5.02 thereof) or on account of any representation, undertaking or agreement of the Lessor or such Beneficiary, either expressed or implied, all such personal liability (except as aforesaid), if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

14. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument, but the counterpart delivered to the Vendor shall be deemed to be the original counterpart.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respective corporate seals to be affixed and duly attested, all as of the date first above written.

## HULK PURCHASE AGREEMENT

### Seaboard Coast Line Railroad Company

As of April 1, 1978

Gentlemen:

Seaboard Coast Line Railroad Company, a corporation organized under the laws of the Commonwealth of Virginia (the "Seller"), owns the railroad equipment described in Exhibit A hereto (collectively, the "Hulks" and individually a "Hulk"). The Seller desires to sell the Hulks and First Security State Bank (the "Buyer"), acting as trustee under a Trust Agreement dated as of the date hereof, desires to purchase the Hulks for the Purchase Price set forth in Exhibit A (the "Purchase Price").

The Seller will, from time to time, prior to delivery thereof to the Builder for reconstruction, as provided in the Reconstruction and Conditional Sale Agreement (the "Conditional Sale Agreement") dated as of the date hereof among the Buyer, First Security Bank of Utah, N.A., not in its individual capacity but solely as agent (the "Agent") under a Participation Agreement (the "Participation Agreement") dated as of the date hereof, and Seaboard Coast Line Railroad Company, in its capacity as builder (the "Builder"), deliver to the Buyer a Bill or Bills of Sale transferring title to a group or groups of Hulks and warranting that at the date of such Bill or Bills of Sale the Seller had legal title to such Hulks and good and lawful right to sell the same and that title to such Hulks transferred to the Buyer by such Bill or Bills of Sale was free of all claims, liens, security interests, security titles and other encumbrances of any nature whatsoever. On or after the date of such Bill or Bills of Sale, the Seller will deliver the Hulks in such group or groups to an authorized representative of the Buyer at such point or points within the United States of America as shall be specified by the Seller. The sale and delivery of the Hulks pursuant to this Agreement shall commence as soon as practicable and shall be completed on or before such date as shall permit the completion of reconstruction of each Hulk by December 28, 1978.

Notwithstanding anything to the contrary contained herein, the Buyer shall have no obligation to accept any Hulk which is delivered hereunder after (i) any event of default as defined in Article 14 of the Conditional Sale Agreement or any event (including the commencement of any proceeding or the filing of any petition of the nature specified in subparagraphs (c) and (d) of Article 14 thereof) which, with lapse of time, failure to take affirmative action and/or demand, could constitute an event of default thereunder shall have occurred, (ii) the Buyer shall have delivered written notice to the Seller that any of the conditions contained in Paragraph 7 of the Participation Agreement have not been met or waived, or (iii) the sum of (a) the difference between (1) the aggregate Purchase Price for all Hulks theretofore delivered and accepted hereunder plus the aggregate Reconstruction Cost therefor under the Conditional Sale Agreement and (2) the aggregate amount of funds theretofore disbursed by the Agent from amounts constituting Available Investors' Funds (as defined in the eighth paragraph of Article 3 of the Conditional Sale Agreement) in payment of a portion of such aggregate Purchase Price and Reconstruction Cost pursuant to the Conditional Sale Agreement and (b) the Purchase Price of the next Hulk to be delivered hereunder plus the Reconstruction Cost thereof under the Conditional Sale Agreement, would exceed the sum of (x) \$616,521 and (y) the amount of Available Investors' Funds then on deposit with the Agent under the Participation Agreement and held for disbursement to the Seller and the Builder on a Closing Date pursuant to the eighth paragraph of Article 3 of the Conditional Sale Agreement.

The Buyer at the times hereafter specified will pay to the Seller the Purchase Price of each Hulk in each group subject to all the terms and conditions of this Agreement, including without limitation the receipt by the Buyer of (a) the Bill or Bills of Sale with respect thereto specified in the second and fifth paragraphs hereof, (b) a Certificate or Certificates of Acceptance signed by the Buyer's authorized representative stating that the Hulks in such group have been delivered to and accepted on behalf of the Buyer, and (c) a written opinion of counsel for the Seller dated the date of such Bill or Bills of Sale, addressed to the Buyer and stating that such Bill or Bills of Sale are valid and effective to transfer the Seller's title to such Hulks to the Buyer.

Each such Bill of Sale shall contain the following information with respect to each type of Hulk included in the group of Hulks covered thereby: quantity, description, the Seller's identifying numbers and place of delivery. Subject only to the conditions set forth in this Agreement and in Paragraph 7 of the Participation Agreement, the Buyer will pay the Purchase Price of each Hulk delivered and accepted as aforesaid to the Seller either on (i) the Closing Date relating to such Hulk fixed as provided in the Conditional Sale Agreement or (ii) December 28, 1978, whichever is earlier.

The Buyer may assign and/or transfer any or all of its rights under this Agreement and/or any or all of its rights to possession of any of the Hulks. Any such assignment or transfer may be made by the Buyer without the assignee or transferee assuming any of the obligations of the Buyer hereunder. The Buyer and the Seller acknowledge that such assignment or transfer is contemplated. All of the rights of the Buyer hereunder shall inure to the benefit of the Buyer's assigns.

Notwithstanding the delivery of any Bill or Bills of Sale hereunder, the Seller agrees that all responsibility with respect to any Hulk covered by such Bill or Bills of Sale, its use and operation and risk of loss thereof, shall remain with the Seller until such Hulk is delivered to and accepted by the authorized representative of the Buyer, as provided above, and the Seller agrees to indemnify and hold the Buyer harmless from any claim made against the Buyer solely by reason of the transfer of title to the Hulks or with respect to the validity of such title, free from all claims, liens, security interests, security title or encumbrances of any nature other than those of the Buyer at the time of such delivery and acceptance. Upon such delivery and acceptance, all responsibility and risk of loss with respect to such Hulk shall pass to the Buyer.

In the event that any Hulk is not so delivered to the Buyer after the date of any Bill or Bills of Sale with respect thereto the Buyer will assign to the Seller, without warranty of any kind, whatever right, title and interest the Buyer may then have in such Hulk and such Hulk shall thereafter be excluded from the provisions of this Agreement.

The Seller hereby represents and warrants to the

Buyer, its successors and assigns, that this Agreement was duly authorized by it and lawfully executed and delivered for a valid consideration.

The Seller hereby covenants and agrees with the Buyer that not later than the date of payment for any Hulk, the Seller will discharge in full all obligations, if any, securing encumbrances with respect thereto. Without limitation as to any other rights or actions which the Buyer may enforce against the Seller due to a breach by the Seller of its obligation set forth in the preceding sentence, in the event any such obligation has not been satisfied prior to payment for any Hulk by the Buyer, the Seller hereby agrees that the Buyer may, in lieu of making payments for any Hulks then to be made to the Seller hereunder, pay all or any portion of such payments to one or more holders of obligations secured by such encumbrances to the extent necessary to satisfy such obligations in full and to remove such encumbrances.

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the warranties, representations, undertakings and agreements herein made on the part of the Buyer, are made and intended not as personal warranties, representations, undertakings and agreements by the Buyer, or for the purpose or with the intention of binding the Buyer personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement hereinabove referred to, and this Agreement is executed and accepted by the Buyer not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Buyer or the beneficiary of the Buyer on account of this Agreement or on account of any warranty, representation, undertaking or agreement of the Buyer, either express or implied, all such personal liability, if any, being expressly waived and released by the Seller and by all persons claiming by, through or under the Seller; provided, however, that the Seller or any person claiming by, through or under it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia.

This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which shall be sufficiently evidenced by any such original counterpart.

If the foregoing arrangement concerning sale of the Hulks is satisfactory to the Buyer, please confirm by signing each of the enclosed counterparts of this letter and delivering same to the Agent for acknowledgment and return to Seller of all except one executed counterpart, and giving the telegraphic confirmation of execution to the Agent.

Very truly yours,

COMPANY,
